Thanks for choosing AppleCare Service.

Our technicians have successfully repaired your product. They ran complete diagnostic tests and performed all available troubleshooting.

We replaced the part(s) listed below. The replacement parts are covered by a 90-day service warranty or the remainder of your warranty or AppleCare agreement, whichever is longer. We kept the parts we removed, as explained in our warranty, AppleCare products, and Repair Terms and Conditions.

Item Number	Description	Symptom
605-04953	Logic Board, i5, 2.4GHz, 8GB, 256GB	Accidental damage/Liquid Damage
605-03809	Display, Space Gray	Accidental damage/Liquid Damage
661-13159	Top Case, with Battery, ANSI, Space Gray	Accidental damage/Liquid Damage
605-03810	Touch ID	Accidental damage/Liquid Damage

Please note the following:

✓ We performed a clean installation of the latest Mac operating system version verified on your product.

When you're ready to begin using your product, visit [getsupport.apple.com](https://getsupport.apple.com) to learn how to restore from a backup, discover new features, and find other helpful information. For best results, install the latest version of macOS: [support.apple.com/HT201541](https://support.apple.com/HT201541)

The warranty will cover eligible repairs for one year from the product's purchase date. If this repair wasn't covered by the warranty or an AppleCare agreement, you have been charged the amount indicated when you requested service. You'll receive a receipt separately.

Sincerely,  
AppleCare Service
